

## DESCRIPTION

- Nebia by Moen™ is a spa shower that uses a unique water delivery system to provide more pressure and double the water coverage of traditional showers, creating a blissful showering experience
- Various finishes identified by suffix
- Double check valves for backflow prevention
- 23.5" wall bracket with 17" height range

## OPERATION

- Single function with patented atomized spray nozzles
- Tiltable, adjustable-height rainshower that can be perfectly positioned for optimal warmth, rinsing power, and coverage
- Use Rainshower alone or use the Rainshower and Handshower together
- Magnetic Dock includes two installation options:
  1. Mount to shower wall with screws and wall bracket
  2. Adheres with permanent waterproof adhesive

## FLOW

- 1.35 gpm (5.1 L/min) max.

## STANDARDS

- Designed and manufactured to comply with the applicable requirements of WaterSense®, ASME A112.18.1/CSA B-125.1, ASSE 1014 and all applicable specifications referenced therein

## WARRANTY

- Lifetime limited warranty against leaks, drips and finish defects to the original homeowner
- 10 year limited warranty when used in a multifamily installation
- 5 year limited warranty when used in a commercial installation
