# Pro-Fit® Installation System

The Moen® 3-step Pro-Fit® Installation System is the most innovative, simple way to mount bath accessories. The design helps reduce installation time to one-third that of standard bath accessories. Installation is as easy as 1-2-3.

1. **Drill It:** Use the installation mounting template with built-in level.
2. **Screw It:** Screw in the pre-attached fastener.
3. **Click It:** Press on the post until it locks into place.

It really is that simple! Plus, we've eliminated the set screw. Designed with input from professional installers, the Pro-Fit® Installation System was made for faster installation and fewer call backs. And of course, there's the extra assurance of quality that comes with the Moen® brand. **Available on Brantford™, Eva®, Icon™, Mason® and Method™ bath accessory collections.**

The Pro-Fit® System eliminates set-screws for faster, more durable mounting.

There's even a template with a built-in level.

Pro-Fit® Installation Template  
See page 33 for pricing details.

## Drill It!

The innovative template has a built-in level for accurate drilling of pilot holes for both 18-in. and 24-in. towel bars or paper holders.

## Screw It!

Single screw mounting system uses pre-attached hollow wall anchor for a fast solid installation.

## Click It!

Locking tab clicks to hold the post firmly in place and eliminates the need for a set screw.
