FAUCETS, ACCESSORIES, LIGHTING AND CABINET HARDWARE FOR THE BATH

 **MOEN**  
*Buy it for looks. Buy it for life.®*

# Designed for life.Yours.

## **Make Moen part of your day.**

With timeless styles, innovative functionality and quality construction, Moen® products are designed for real life.Your life.

## **Change styles easily with M•PACT.®**

The Moen M•PACT common valve system allows you to completely change the style of your lavatory, tub or shower faucet without replacing any of the faucet plumbing.

## **Buy it for looks. Buy it for life.**

Moen products are manufactured under the highest standards of quality and workmanship. All Moen faucets come with a Lifetime Limited Warranty against leaks, drips and finish defects under normal installation, use and service.

## **Basic care and cleaning**

Constructed of quality materials that are specially coated to protect the finish during normal use, your Moen faucet should provide a beautiful touch of elegance to your home for many years to come with only a minimal amount of care.

In order to maintain any Moen faucet, the following cleaning suggestions are recommended:

- Use a soft, damp cloth to clean the faucet.
- Use only warm water or glass cleaner to remove dry water spots.
- Never use cleaners that contain abrasives or harsh chemicals, alcohol or organic solvents.
- Do not use pads or sponges which are specifically not recommended for cleaning polished surfaces, such as pads with green fibrous surfaces that can scratch polished surfaces.
