SIMPLY MODERN

 **MOEN**
Buy it for looks. Buy it for life.®

You don't choose modern designs
so you can look different. You are different.

Your definition of modern doesn't include words like hip and trendy. You understand that modern design extends beyond contemporary styling. For you, modern is a way of life. Your life.

The collection of bold and sophisticated designs from Moen helps you create a modern interior to match your modern style. From urban loft to minimalist chic or Euro-inspired luxury, Moen offers kitchen and bath products that allow you to set the scene, make a statement and realize your vision.

DESTINED TO ENDURE

Every Moen® faucet is designed and manufactured to meet high standards of quality and is backed by a Limited Lifetime Warranty. You can count on all of our products to look beautiful and function flawlessly for years to come.

CHANGES WITH YOU

Install any faucet on the M•PACT® Common Valve System, and you can switch the trim or finish at any point without replacing plumbing. It's the easiest way to update styles and keep your design contemporary.

BEAUTY THAT LASTS

Moen LifeShine® finishes create the durability and wearability of Chrome in a variety of beautiful, decorator-inspired finishes. LifeShine finishes are guaranteed not to tarnish, corrode or flake off. Visit moen.com for more information.
