

DESCRIPTION

- Metal construction with various finishes identified by suffix
- Reflex™ pulldown system offers smooth operation, easy movement and secure docking
- Duralock™ quick connect installation
- Three Power Clean™ attachments are designed to clean the hardest of hard-to-reach areas, where bottle brushes and sponges can't reach. The attachments work with the faucet's integrated Power Clean™ spray technology to spray off food particles, residue and grime.
- Each Power Clean™ attachment delivers a unique cleaning experience:
 - **Targeted Spray** – A single, focused spray with precise, maximum force to chisel off stuck-on messes. Use on stubborn, troublesome areas, reach nooks and crannies, or use on narrow drinking/serving containers.
 - **Four-Corner Spray** – Four powerful sprays individually reach tight corners, but work together to forcefully remove and clean. Ideal for vases, water bottles and travel coffee mugs.
 - **Broom Spray** – Five sprays create a full-sweeping aerated stream that clears larger areas within containers. Perfect for pitchers, carafes and large serving vessels.
- Pulldown spray with 68" braided hose
- 3/8" compression connections will accept standard ball nose connection for 3/8" tubing

OPERATION

- Lever style handle
- Operates with less than 5 lbs. of force
- Operates in stream or spray mode in the pulldown or retracted position

FLOW

- Flow is limited to 1.5 gpm (5.7 L/min) at 60 psi

CARTRIDGE

- 1255™ Duralast™ cartridge for Single-Handle Faucets
- Engineered polymers, non-ferrous and stainless steel materials

STANDARDS

- Third party certified to IAPMO Green, ASME A112.18.1/CSA B-125.1 and all applicable requirements referenced therein including NSF 61/9 & 372
- Meets CalGreen and Georgia SB370 requirements
- Complies with California Proposition 65 and with the Federal Safe Drinking Water Act
- ADA ♿ for lever handle
- The backflow protection system in this device consists of two independently operating check valves, a primary and a secondary which prevent backflow

WARRANTY

- Lifetime limited warranty against leaks, drips and finish defects to the original homeowner
- 10 year limited warranty when used in a multifamily installation
- 5 year limited warranty when used in a commercial installation
