

## Specifications

### DESCRIPTION

- Powered by 6 AA batteries or optional AC adapter with power splitter
- Versatile, touchless convenience
- PowerClean™ spray technology
- Allows users to control the faucet in 2 unique ways: touchless Wave Sensor and familiar handle
- High arc spout provides height and reach to fill or clean large pots while pullout wand provides the maneuverability for cleaning or rinsing
- Reflex™ pulldown system offers smoother operation, easy movement and secure docking
- Metal construction with various finishes identified by suffix
- Pulldown spray with 68" braided hose and Duralock® Quick Connect installation
- Flexible supplies with 3/8" compression fittings
- Faucet designed for handle to be mounted on right side

### OPERATION

- Lever style handle
- Temperature controlled by 100° arc of handle travel
- Operates with less than 5 lbs. of force
- Operates in stream or spray mode in the pulldown or retracted position

### FLOW

- Flow is limited to 1.5 gpm (5.7 L/min) at 60 psi

### CARTRIDGE
