

Vivid™ Technical Specification

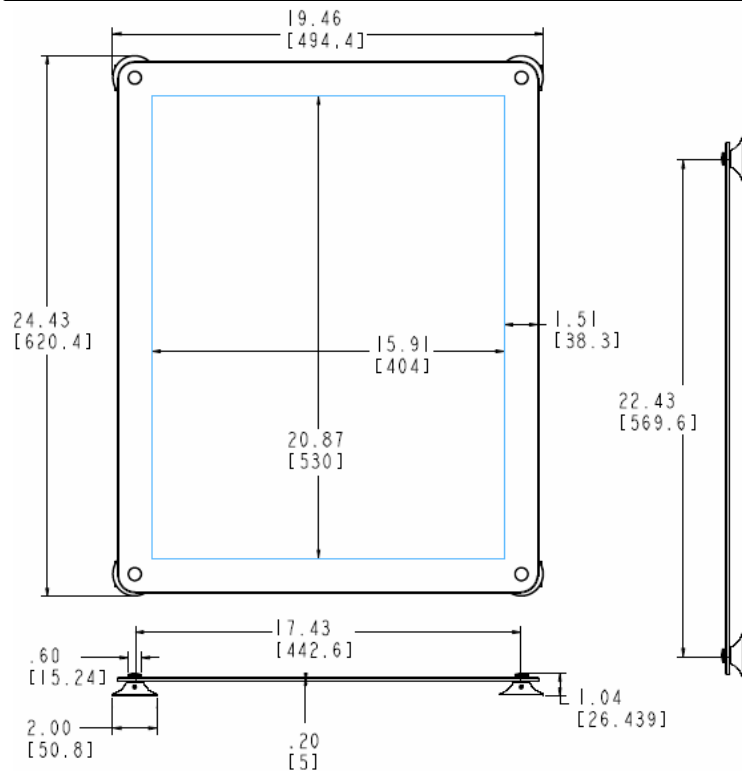

Mirror

YB7495

Stock Numbers:

- q **YB7495CH –Mirror**
Chrome Finish

Dimensions:

Materials:

Mirror posts are constructed of zinc and mirror is constructed of glass.

Installation Instructions:

Directions below are for installation into drywall. If installing product into a stud, use the wood screws only.

1. Remove mounting posts from the product assemblies by loosening each set screw.
2. Position the mounting template on the wall in the desired location.
3. Using a level, align the template and tape it to the wall.
4. Drill two 5/16" hole at each mounting post location that corresponds to your product. (We recommend using the horizontal holes for drywall installation.)
5. Remove the template from the wall.
6. Fold ends of plastic toggle anchor together and insert into each hole in the wall.
7. Lightly tap anchors until flush with the wall.
8. One at a time, insert plastic pin into each anchor and lightly tap to activate anchor.
9. Remove pin and repeat on all anchors.
10. Place each mounting post over anchors (notch facing downward on bottom two posts, and up on top two posts) and insert screws through post into anchors. Tighten screws.
11. Rotate each base on mirror so that the top two have the set screw facing up, and the bottom two have the set screw facing down.
12. Place mirror assembly over the mounting posts and tighten set screws.

Cleaning Instructions:

To preserve the fine finish of this product, clean only with a soft damp cloth. Dry well. Do not use commercial or abrasive cleaners.
