

New Retail Product Fact Sheet

For Immediate Release

NEW TRADITIONALLY STYLED BANBURY® BATH SUITE OFFERS WATER-SAVING BENEFITS

- New Banbury® bathroom collection from Moen features low- and high-arc faucets with lever handles to offer simple, traditional styling that complements most bath décor
- Suite includes:
 - Two-handle, low-arc centerset faucet in Chrome and LifeShine® Classic Brushed Nickel
 - Two-handle, high-arc centerset faucet in Chrome and LifeShine Classic Brushed Nickel
 - Single-handle, shower faucet in LifeShine Classic Brushed Nickel
 - Single-handle, tub and shower faucet in Chrome and LifeShine Classic Brushed Nickel
- Bath faucets feature Moen's 1.5 gallon per minute (gpm) flow-optimized aerator, reducing water usage by up to 32 percent with the same great performance that you expect from a standard Moen faucet
- WaterSense®-labeled by the Environmental Protection Agency and Eco Options labeled by The Home Depot
- Unique arcing spouts make washing your face or filling a glass of water more convenient
- Shower faucet and tub and shower faucets feature a large showerhead that produces a wide spray pattern for an exhilarating shower experience through fuller-body coverage
- Available at The Home Depot Fall 2008
- Lifetime limited warranty
