**MUIRFIELD™ WATER-SAVING BATH SUITE FROM MOEN OFFERS NEW FINISHES FOR ADDED TRADITIONAL FLARE TO ANY BATHROOM**

*North Olmsted, Ohio...* Add a touch of traditional flare to the bathroom with the new Muirfield™ suite from [Moen](#) Incorporated. Now available at Lowe's in new Mediterranean Bronze finish, a warm hue that coordinates well with other popular bathroom finishes, this water-saving collection features convenient, stylized handles with a mid- or high-arc spout and provides a classic look for today's traditionally styled baths.

"The [Muirfield](#) bathroom suite offers a traditional style with exceptional design consumers prefer in a quality product backed by the Moen name," said Kevin Campbell, Moen's director of retail marketing.

Environmentally conscious homeowners and builders will appreciate that Muirfield lavatory faucets feature a 1.5 gallon per minute (gpm) flow rate versus the industry standard of 2.2 gpm – providing consumers the sensational water experience they are accustomed to, while reducing water usage by up to 32 percent. Muirfield is also one of the first Moen faucets to be certified to meet [WaterSense®](#) criteria, meaning the fixtures meet the Environmental Protection Agency's (EPA) guidelines as an environmentally responsible and efficient product.

Muirfield is available in a single-handle centerset faucet in Chrome (\$78\*) and Lifeshine® Classic Brushed Nickel (\$108\*); a two-handle, mid-arc centerset faucet in Chrome (\$78\*); and a two-handle, high-arc centerset faucet in new Mediterranean Bronze (\$158\*). The unique arcing spouts make tasks such as washing your hands and face or filling a glass of water more convenient.

And the benefits of this new collection extend into the shower as well. The Muirfield suite features a single-handle shower faucet in Lifeshine Classic Brushed Nickel (\$168\*) and new Mediterranean Bronze (\$188\*) and a single-handle tub/shower faucet in Chrome (\$148\*).

The Muirfield bathroom suite meets ADA requirements for the physically challenged. All products feature Moen's lifetime limited warranty to ensure superior quality.
